**COMMUNICATION IN RESPONSE TO ADVISORY ACTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The telephone interview between Examiner Cantelmo and the Applicant's undersigned representative on January 16, 2007 is gratefully acknowledged. During the interview it was agreed that the new dependent claims 53-61 filed with Amendment B would be canceled to obviate the need for their consideration by the Examiner, and that this would allow for entry of Amendment B without these claims and the issuance of a Notice of Allowance for the remaining claims. Examiner Cantelmo agreed that this could be accomplished by Examiner's Amendment. The Examiner is thanked for his courtesy in facilitating the process in this regard.

No fees are believed due in connection with the filing of this paper. If any fees are found to be due, the Commissioner is authorized to charge such fees to Deposit Account 500388 (Order No. PLUSP039).

Respectfully submitted,  
BEYER WEAVER LLP
